PSU IEEE Student branch

Tech Talk - Winter Term 2020

An Introduction to Product Engineering

Come join the PSU IEEE Student group Tuesday Feb. 25th, 2020 at the Fourth Avenue Building room 60-19 (map) from 10-11am.

This will be a technology talk given by Michael Knippert. He’s a longtime member of IEEE with over 30 years of experience in the electronics industry. He currently works in High Speed I/O with the R&D division at Lattice Semiconductor and will be talking about Product Engineering and how today's technological ideas become a reality.

If you’ve ever wanted to know what it takes to design a real-world product or how to measure the success of that product, then this is the tech talk for you!

Coffee and snacks will be provided.

All are welcome
